Webinar

Maximize the Value of your Microsoft License Agreement!

Research shows that 80% of mid-market companies overspend on software. They're either enrolled in the wrong agreement or purchasing through the wrong licensing channel.

Join Micro Strategies and SoftwareONE, a worldwide licensing-only solutions provider, for a free webinar.

- Is your company enrolled in the most beneficial licensing program for you?
- Are you maximizing the value of your license agreements?
- How can you eliminate the fear and uncertainty of future compliance issues?
- Do you have the potential to reduce your overall expenses and gain additional value?

Register and attend this webinar and receive a **complimentary assessment** of your current licensing environment from a licensing specialist.
